Adapted from author Jim Thompson's 1952 book of the same name, the film stars Casey Affleck, Kate Hudson, Jessica Alba and Bill Pullman. The film was in competition at the 2010 Berlin International Film Festival. [2] The background and plot of the wind, as in the original novel,Lou Ford begins by describing himself as a man with a simple mind and clear principles: "The man should be appealing to every man in Central City as a lady. Ford is a representative of Sheriff in a small Texas town in the mid-1950s and a handsome neighbor that no one thinks wrong about. Lou initially falls in love with Joyce prostitute and both enter a sadomasochistic relationship. To take risks that they will start again in another city, they decide to blackmail Conway, a wealthy trader to help him get the money they need. Ford, however, has its own plans and is trying to avenge Conway, who is believed to be responsible for the death of Ford's brother. That night when the money was divided, Ford reportedly killed Joyce to death and shot Conway's son Elmer after leaving the scene in the middle of a love novel. A young policeman is a psychopathic skirt. It seems that the background of these trends lies in his childhood, as shown by short memories of the past. Her father's friend committed sadistic sexual acts and harassed a five-year-old girl in her youth. As the number of victims in a small town rises, investigators and district prosecutors stretch the net around Ford. Ford is also blackmailed by a homeless person who watched him at night when the murders occurred. To get rid of this man, he also kills Amy and accuses the homeless who was shot in an attempt to escape. Ford is eventually arrested, but does not know what the investigators found about him. With the help of a lawyer, however, he is soon released again. After returning home, Ford is confronted with the applicant and the sheriff, while Joyce is still alive. Before anyone can hit, Lou stings Joyce. Sheriff's shots lit gasoline that Lou had poured the whole house before. The film ends with a picture of an exploding house. The film has mostly gained negative reviews for its very realistic depictions of violence. Joachim course from Kino-zeit.de concludes his review with the following words: "There was quite a brutality in Sundance films, but in Berlin the storm of anger has fallen.MOVIEPILOT REPORTS: When Michael Winterbott wanted to ask questions after passing, the woman called her direction! And then he lost his room. Many other spectators were also bright and outraged by the violence of the film. So garbage. Fast waste. [4] [5] The land of the land in 1952 is the basis of the small community in Western Texas; It is secretly a sociopath with severe sexual appetite. Lou caught a five-year-old girl adopted by her brother Mike, who confessed to Lou, who confessed to Lou. Mike from prison is hired by Chester Conway and dies in the building - Lou believes Conway building Conway. At the request of Serif Bob Maples Lou, Joyce Lakeland, a prostitute who has a relationship with Conway Elmer's son, comes to visit. Lou, who constantly makes fun of him with his secrets, mercilessly beat Joyce who loves pain, and romance begins together. He'll think of a conspiracy of buying \$ 10,000 from Conway. Maples and Conway ask Loua to control the salary payroll but LouaHis plan: He brutally beats Joyce, thinking he's dead, shoots and kills Elmer, aiming at Joyce. But Joyce survives and Conway will see her executed for killing Elmer. Lou's reputation begins to falter: his fiancée Amy suspects him of infidelity and District Attorney Howard Hendricks suspects Lou of being the real killer. Lu accompanies Maples and Conway to take Joyce to a Fort Worth hospital so Conway can interview her. During the surgery, Lou is waiting in a hotel room and Maples tells him that Joyce died on the operating table. At home, Lu finds hidden photos in the Bible. The woman in the pictures is Helene, a housekeeper and nanny from her youth who looked like Joyce. Lou remembers that Helene introduced him to sadomasochism and burns the photos. Hendricks arrests Johnnie Pappas, a local youth Lou befriended, as a murder suspect. He is found with one of the Conway-marked \$20 bills given to him by Lou. Hendricks asks Lou to get Johnny to confess; In Johnny's cell, Lou confesses to Johnny that he is the killer and hangs Johnny to make it appear like he killed himself out of guilt. Johnny's death only makes the town more suspicious of Lou. Journalist and union organizer Joe Rothman, who previously claimed Conway killed Mike, hints that he knows Lou is the killer. Lou proposes to Amy and allows him to beat her up to feed his violent tendencies. A homeless alcoholic whom Lou burned with a cigar follows Lou, knowing he is responsible for the murders. He demands \$5,000 for silence, to which Lou agrees. The day Lou and Amy plan to elope, Lou beats her to death; homeless man sees his body and runs for help. Lou pursues them, yelling that the tramp killed Amy, and another deputy, Jeff Plummer, shoots the tramp. The next morning, Plummer tells Lou that Sheriff Maples committed suicide. Hendricks and Plummer try to get Lou to confess, but he steadfastly refuses. They find a letter that Amy allegedly gave to Lu, asking him for a confession. Lou is arrested and taken to an asylum where Amy and Helene suffer from hallucinations. Rothman's hired attorney, Billy Boy Walker, fired Lou. Lou tells Walker everything and concludes that he doesn't want anyone else to die. Lost in fantasies of violence, Lou douses his house with gasoline and alcohol, arms himself with a knife and sits waiting in his office.Kopa comes with Hendricks, a transport, a flame and Joyce. She tells Lou that she refuses to cooperate with the authorities before Lu told her that she loves her before hitting her with a stomach knife. The flame opens the fire, striking Joyce and Lou and setting fire to the essence. Outside, the police approaching the house look at the house plunging into a fire ball, which Lou set fire to commit suicide. Casey Affleck as Lou Ford, deputy sheriff of western Texas. (June 2010) (Learn how and when to delete this message model) since the mid-1950s, many filmmakers have tried to adapt Thompson's novel to the film. 20th Century Fox initially chose this design around 1956 as a possible car with Marilyn Monroe in the title role, where Monroe was played by Joyce Lakeland. Marlon Brando will play Lou Ford. At that time, Elizabeth Taylor was considered Amy Stanton. The project was postponed after the unexpected death of Monroe on August 5, 1962. In the end, in 1976, a film adaptation was removed under the direction of Bert Kennedy and Staisi Kich in the role of Lou Ford and Susan Tyrrelle in the Role of Joyce Lakeland. In the mid-1980s, another attempt was made to film the book: Tom Cruise, Lou Ford, Brooke Shields, Amy Stanton and a half Moore in the role of Joyce Lakeland. The project was postponed. After the success of the "criminal reading" in the mid-1990s, Quentin Tarantino was appointed project manager. UM Turman was supposed to play Amy Stanton. Juliet Lewis was considered Joyce Likelland, and Brad Pitt was chosen for the role of Lu Ford. This attempt failed after the September 11 attacks, because the film script was not clear. Tarantino threw everything and started zero. In 2002, Andrew Dominic wrote a very stylized scenario and Dominic Sen was appointed director. At one point, Dominic wanted to govern him. HEIn the film, Leonardo DiCaprio as Lou Ford, Charlize Theron as Amy Stanton and Drew Barrymore as Joyce Lakeland. Dominic lost interest in doing an adaptation of the 1950s novel and instead decided to shoot James Coward Robert Ford in Jesse. Mark Rocco came along and wanted to play Casey Affleck as Lou Ford, Reese Witherspoon as Amy Stanton, and Maggie Gyllenhaal as Joyce Lakeland. Kate Hudson admitted she genuinely pushes her on stage with Casey. [8] Release the album Jestic by film in Paris in 2010. The killer in me was previewed on January 24, 2010 at the Sundance Film Festival. [9] In January 2010, IFC Films provided film rights for approximately \$1.5 million [10] and on June 9, 2010, they announced the release of theatrical and aquatic platforms. [11] At the 60th Berlin International Film Festival, it was nominated for the Golden Bear. [12] It is part of the 2010 Tribeca Film Festival and took place on April 27, 2010. [13] The film has been released in theaters since June 18, 2010. [14] DVD and Blu-ray were released on June 28 September, 2010. The acceptance the film has gained has garnered generally conflicting reviews. As of October 2021 [Update], the film has an approval rating of 55% on agagère d'agagère based on 129 reviews with an average rating of 5.7/10. Critical Consensus: "The Killer in me is elegant and beautifully filmed, but Michael Winterbottom's distance from his characters robs this often brutal film of great emotional context.", received a review from the viewer before taping, which ended with the words "I don't understand how Sunday can hook this movie! How dare you? How dare you on Sunday?" "Long and so terribly illustrative" and points out that "I only refer because of violence against women, on the contrary, the male character dies behind the camera he has, I think he destroyed his film which distracts the audience that the audience is of His great film noir, thus of Affleck's mesmerizing performance.Violence is a gory spot on a beautiful canvas.Closed the Berlin Film Festival, confessed to disputes over his depiction of violence: [6] Although Ford's victims are men and women, his persistent and brutal attacks on female characters caused The Killer in Me to be a controversial Winterbottom that shows these attacks to unprecedented Details, a step that some consider unnecessary and exploitative. Violence is actually used sparingly, which makes it more vast. And compared to the recent bloodshed by the Tarantin Brothers or Coen brothers, this is a low level. I suspect that critics of the film have made a classic mistake, that they mistook the content with the intention. Dalton, who gave the film four stars out of five, called him "a complex thriller that disappoints some viewers at a slow pace and others will repuls the flashes of fearsome brutality. It is a smart and engaging interpretation of the ingredients of the classic film Noir. [6] Affleck's depiction of a sociopathic representative divided the reviewers and was quoted as one of the many shortcomings of the film that coincided with the original film and personality of the character and clarified the source novel. Critics reported the boys' appearance and ways, and its "occasionally cooled and terrible" performance as a lacking power needed for such a role. Despite the relatively bad reviews for her performance Jessica album, the Golden Malina Award still received the worst side actress and was also quoted for her work in Little Fockers, Machete and Valentine.
